

Quality Policy Statement

In order to achieve our vision, mission and values FOXANO's Top-Level Management are committed to:

- Abide by all regulatory requirements and encourage efficient use of materials, conservation of energy and correct disposal of materials to support the environment.
- Meeting all statutory requirements and in particular implementing and maintaining a Quality Management System to meet the requirements of the Quality Management System standard AS9100-REV D.
- Establishing customer requirements clearly before commencing work.
- Establishing good liaison links with our customers and measure customer satisfaction.
- Work as a skilled team.
- Continually train and develop our employees to provide for a versatile, competent workforce.
- Demonstrate excellence in our operations.
- Establish Key process measures and monitor performance against set KPIs.
- Process and inspect our products in accordance with relevant requirements.
- Strive to do things right first time.
- Strive to deliver our products to our customers on time and in full (OTIF).
- Monitor external rejections and put measures in place to prevent recurrence.
- Maintain our building, machines and equipment in good working condition.
- Encourage our employees to work safely and avoid injury to themselves and/ or third parties.
- Operate 5S housekeeping throughout the factory.
- Continually improve on the effectiveness of our quality management system through setting of Improvement objectives.
- Encourage suggestions for improvement from our employees.
- Communicate on the effectiveness of our quality management system to our employees.

We shall ensure that this policy is communicated and understood at all levels within our organisation and that the resulting Quality Management System including this Policy and supporting Quality Objectives will be regularly reviewed to ensure its continuing suitability and effectiveness.
